Shall the district be authorized to impose an increase in local taxes to support the general fund in the amount of $150,000.00 which is approximately 17.02 mills for the purpose of operating and maintaining the Florence-Carlton School District? Passage of this proposal will increase the taxes on a home with the market value of $100,000.00 by approximately $26.94 and on a home with a market value of $200,000.00 by approximately $53.89. The durational limit of the levy is permanent once approved by the voters, assuming the district levies that amount each year thereafter.
